ADITYA DISPOMED PRODUCTS PVT. LTD recognizes the importance of environmental protection and will comply with all environmental legislation, regulations and appropriate codes of practice relating to the processes and activities of the company.

We are committed to minimising the environmental impact of our operations. In particular, we will achieve this through our commitment to:

- comply with all relevant legislation and regulations;
- regularly review the environmental impact of our activities, endeavor to reduce our overall environmental impact and prevent waste using best practice techniques;
- involve employees in our environmental programme and provide necessary training to enable them to discharge their responsibilities;
- sustain a programme of continual improvement in environmental performance incorporating suitable measurement and monitoring mechanisms;
- work with key suppliers to encourage them to develop environmental best practice; and
- improve resource efficiency (including our use of water, energy and raw materials).

The company will foster environmental awareness and understanding in all employees, suppliers, customers and subcontractors
